Cedar House

Harrogate, North Yorkshire

£925,000

OWNER'S NOTE

The garden room changed how we use the house. It gives you the view and the light even when the weather is doing its usual Yorkshire thing.

HOW THE HOME WORKS

The older part of the house provides character and quieter rooms, while the contemporary extension is deliberately open and connected to the garden.

LOCAL AREA

A fictional Harrogate setting intended to show seller notes about schools, countryside, rail links and access to town without disclosing an exact property pin.

VIEWING

Allow 45–60 minutes including the garden and extension.
